

# TRIBUTE GIVING AT A GLANCE

When families choose to support the Toronto General & Western Hospital Foundation with donations in memory of their loved ones, they join thousands of amazing supporters of our hospitals.

Donors make it possible for us to continue the tradition of excellence in patient care, research, and education at Toronto General and Western Hospitals.

**Below you will find four easy ways in which you can help facilitate this process.**

## Help them set up a tribute with us

Call and let us know when a family has chosen to support the Foundation with donations. We will set up a tribute for their loved one and make a commitment to keep them informed of all gifts made as well as answer any questions they may have.

## Provide the family with obituary wording

"In lieu of flowers, donations to the *{Insert department name if applicable}* Toronto General & Western Hospital Foundation would be appreciated by the family, please visit [www.tgwhf.ca/tribute](http://www.tgwhf.ca/tribute) or call 416-603-5300."

## Offer a personal online tribute page

By following a few easy steps you can help families set up a tribute page on our website in memory of a loved one. Families can share the page with others and visitors can make their tribute gifts directly online via this personal page! Those interested can visit [tgwhf.ca/fundraise](http://tgwhf.ca/fundraise)

## Inform the family about our Commemorative Giving Wall

Our commemorative walls are a timeless way to honour cherished loved ones. If a family expresses interest in a permanent recognition plaque at either Toronto General or Toronto Western forward them to the contact below and we would be glad to help.
